

Dear Mayor and Council,

I am writing to voice my support for the housing redevelopment project at 4603-4649 Evergreen Lane.

I strongly believe the project should be approved for the following reasons: [YOUR SELECTIONS]

- We desperately need more affordable rental homes of all types in our city.
- I am supportive of renewing aging buildings like this to provide more housing for our future.
- This location is ideal for both, seniors and families.
- We need more housing developments that enable senior renters to age-in-place.
- The project should be expedited through the City's planning process.
- The housing society operating the new units has a great track record in the region.

In conclusion, 4603-4649 Evergreen Lane is an important proposal and I urge you to approve it.

Thank you for your consideration.
