We need your help: Quality Housing at the Quality Inn

Hello friends, colleagues and neighbours,

I am writing to you in regards to conversion of the Quality Inn into 49 units of supportive housing.

On Wednesday, **December 5th** council will hear from residents and make their final decision to house 49 homeless citizens from Langley (details here: <https://www.bchousing.org/partner-services/public-engagement/projects/langley-supportive-housing>).

As you know the project has seen some opposition over the months and we need to make sure that council will hear loud and clear that the Township must support the conversion of the former Quality Inn Hotel into supportive housing and programming space.

We are in support of **Quality Housing at the Quality Inn** – and are asking **Township Residents to Speak Up For #SupportiveHousing in #LangleyBC**

We need your help - Here is how you can show your support:

1. Most importantly! Send this email to everyone in Langley who is in favour of the project and ask them to join the contact list: **LINK TO SIGN UP FORM**

We need to show our community's broad support for this important project.

2. Sign the online petition in support of the project:

3. Write to Mayor and Council through a personal letter from yourself or your organization:

You can use and amend the support letter template and send your submission in writing to legservicesinfo@tol.ca – send us a copy for our records.

4. Come to the public hearing (speak if you can!):

Where: **Township Civic Facility** (Fraser River Presentation Theatre, 4th Floor, 20338 – 65 Ave.)

When: **Wednesday, Dec. 5 at 5:30 PM** (Meeting will start at 6 p.m., but come early to get a seat)

Let us know that you are coming, as audience or speaker, by signing up on the form: [LINK TO SIGN UP FORM](#)

If you want to speak please show up no later than 5:30 and sign yourself up at the door. Here are some key messages for you:
