

Dear Galiano Island Trust,

I am writing to voice my support for the GIGARHS project proposed for 1663 Georgia View Road on Galiano Island.

I strongly believe the project should be approved for the following reasons [YOUR SELECTIONS]:

- Home ownership is becoming far more expensive and unattainable to growing numbers of our community.
- I want my friends and family to be able to live on Galiano.
- The project meets all the pre-development requirements of the Galiano Island Local Trust Committee.
- We need more housing developments that enable families and seniors to stay in their community.
- The project, through numerous studies, has demonstrated due diligence and respect for the environment.

In conclusion, GIGARHS is an important proposal and I urge you to approve it.

Thank you for your consideration.
