

Dear Mayor and Council,

I am writing to voice my support for the Vienna House project proposed for 2009-2037 Stainsbury Avenue.

I strongly believe the project should be approved for the following reasons [YOUR SELECTIONS]:

- We desperately need more affordable rental homes of all types in our city.
- Below-market homes are greatly needed here.
- This project will foster mixed income communities, which I am very supportive of.
- More Than a Roof Housing Society has a great track record of operating affordable housing in the region.
- The project is within a 10-minute walk of a SkyTrain station.

In conclusion, Vienna House is an important proposal and I urge you to approve it.

Thank you for your consideration.
